### **ATTENTION ALL MEMBERS E-Mail Address Updates**

Circumstances arise periodically when it is desirable to get information out to the members in a quicker fashion than provided by the next Jagazette. It is also often advantageous for the members to be reminded close to the date when particularly interesting events are to occur. This can be done very quickly and efficiently with the use of e-mails.

However experience has shown that a lot of the member's e-mail addresses have changed since the last roster was printed.

So if your e-mail address has changed since the last roster was issued, and you didn't correct it in the 2009 renewal information you submitted, it would be appreciated if you would e-mail the correct e-mail address to Dave Klabunde at [dsklabunde@comcast.net](mailto:dsklabunde@comcast.net).
