Looking for a unique gift or keepsake? You can have your own exclusive wine glass or coffee mug engraved with an image of your Jaguar. I have been pursuing this for some months now and have been favorably impressed with the final examples and prices that have been provided. I think you will be impressed with the exceptional high quality of the glassware and the engraving. Here are some samples:

I have pictures of most models, but if you want a personalized picture of your car in the engraving, just send me a photo by email and I will use that picture in the engraving.
